## EDUCATION

- Currently pursuing 4th B.Tech (Computer Science Engineering) in Gouthami Institute of Technology and Management for Women, Proddatur
  2022-2026 | 75%

- Intermediate (MPC)
  Government Junior College, Tadipatri
  2020-2022 | 75%

- Secondary Education (SSC)
  Zilla Parishad High School, Ankireddypalli
  2020 | 93%

## PROGRAMMING LANGUAGES

- C-Programming
- Python

## SOFT SKILLS

- Communication
- DecisionMaking
- Teamwork
- Time management

## LANGUAGES

- English
- Telugu

## CAREER OBJECTIVE

Seeking an opportunity to enhance my communication and teamwork skills, contribute technical knowledge, and grow professionally while being a valuable team member in a progressive organization..

## HOBBIES

- Listening to Music
- Playing games

## INTERNSHIPS

- AI Internship – 1STOP Platform (2024)
  Focused on building image classification systems using CNNs.
- Generative AI Internship – NextHub Technologies (2024)
  Worked on implementing generative models and AI concepts.

## WORKSHOPS

- C-Programming & Python Workshops
  Conducted by CSI, National Level (2022–2023)

## CERTIFICATIONS

- Certified in C-Programming and Python – CSI Workshop (2023)
- Certified in Communication Skills – Arise Awake (2024)
- Internship Certificate – 1STOP Platform (2024)

## PROJECT

- Image Classification using CNNs
- Developed an AI model using Convolutional Neural Networks for classifying images accurately. Implemented using Python and data augmentation techniques on the 1STOP platform. (2024)

## TOOLS/FRAMEWORKS

- Convolutional Neural Networks (CNNs)
- Python
- Data Augmentation Techniques
